“Regeneration Works: Places of Faith” On-line Webinars

(as of March 2017)

Tues. Mar. 21, 2017 -- 10 Critical Success Factors for Regenerating Places of Faith on-line webinar

What are the critical factors needed to successfully regenerate places of faith? In this interactive webinar, the Regeneration Works: Places of Faith team presents case studies of faith groups who have found creative ways to engage with their communities, and of projects where new uses have allowed these great spaces to continue as cornerstones in their communities. Learn how heritage conservation can play a constructive, enabling role in these transformations.

Tuesday, May 10, 2016 — Re-capturing Faith Vitality: How to maximize rental space and revenue

Online webinar

This on-line webinar featured case study examples and practical insights into space sharing challenges and opportunities for faith communities.

1. Best Practices for marketing to and retaining long term tenants.
2. A few things that you should know about public health, insurance and fire safety.
3. St. Luke’s Anglican (Ottawa) case study; re-purposing of sanctuary into multi-purpose space.
